

Black & McDonald in the US

Who We Are

Black & McDonald is a fully integrated, multi-trade service provider that safely delivers high-quality construction, facilities management, and technical solutions to government, institutional and industry clients. With more than 100 years of diverse market experience across North America, we are a forward-thinking organization with a strong track record of delivering customer-focused solutions and operational excellence.

Our US Companies include:

- Black & McDonald (DBAs of CLS & B&B)
- B&M Energy & Infrastructure
- Riverside Electrical Contractors
- Black & McDonald Engineering Services

B&M also has US Affiliates, Sigma Utility Solutions, Just Engineering and Inspection Services, and OCM Engineering

These companies provide design, inspection, construction, and maintenance standalone or turnkey solutions to electric utility, industrial, and municipal customers across the United States.
