

# Horizon Utilities Substation Operations

## CLIENT

Horizon Utilities

## LOCATION

Hamilton, Ontario

## PROJECT DESCRIPTION

Horizon Utilities is one of the largest municipally owned electricity distribution companies in Ontario. The company provides electricity and related utility services to 240,000 residential, commercial and industrial customers in Hamilton and St. Catharines. It is focused on helping to build sustainable communities while making continual investments in asset renewal, technology and people.

## B&M SCOPE OF WORK

Black & McDonald (B&M) performs high voltage maintenance at various different substations, substation construction, OH line and civil construction. B&M's services include detailed inspections and tests on:

- Protection and control systems
- SCADA systems
- Power transformers
- Switchgear & Circuit Breakers
- Electrical and mechanical trade support services
- Emergency support services
